

PRAYER POINTS | PRAYING FOR OUR COMMUNITIES

If you've ever walked into a church before, chances are there was a map of the world with pictures of various missionaries whom the church body had supported in their activities. This is a wonderful idea, but it neglects the reality that each and every one of us is sent by the church, our faith community, to be a sign of God's Kingdom in the places we are each and every day. We are called to authentically live as children of God, bringing compassion, justice, love, mercy, tenderness and grace to the places we are – at home, at work, on the sports field, in the coffee shop, at the grocery store, wherever.

As TILT, we gather together on Sunday evening, but for the rest of the week, we are the scattered community of TILT. We have created an online map which gives us an opportunity to pray for one another in the places we are throughout the week. Not only that, but to pray for the communities, places of work, schools, etc. themselves. Pray that we would reveal the goodness and graciousness of God wherever the people of TILT are as we live out the values of God's Kingdom. For a picture of what God's Kingdom is like, check out Psalm 145:8–21, or read stories from the life of Jesus!
